PROFESSIONAL SUMMARY

As an aspiring professional currently pursuing a Bachelor's in Computer Applications (BCA), I possess a solid foundation in programming languages such as C, C++, Java, and JavaScript. My academic journey has equipped me with a comprehensive understanding of data structures, enhancing my ability to solve complex problems efficiently. Furthermore, my proficiency in front-end technologies including HTML and CSS allows me to craft intuitive user interfaces. While I am a fresher with no prior industry experience or internships, I bring a passion for technology, a strong work ethic, and a commitment to continuous learning. Eager to leverage my skills and knowledge in a dynamic environment to contribute to innovative solutions and grow professionally.
